IN THE CIRCUIT COURT FOR ST. LOUIS CITY
STATE OF MISSOURI

Meghan Hodge,

Plaintiff,

v.

Cause No.

Meredith Corporation of Iowa,
doing business as KMOV

Serve:

The Corporation Company
120 S. Central Ave.
St. Louis, MO 63105,

and

Scott Diener

Serve:

KMOV-TV
One S. Memorial Drive
St. Louis, MO 63102

Defendants.

Petition for Damages

1. Plaintiff Meghan Hodge, also known as Meghan Danahey ("Hodge"), brings this action for discrimination and retaliation under the Missouri Human Rights Act, §213.010 et seq. (2000).

The Parties

2. Hodge was employed by KMOV as a meteorologist from April 2014 to September 17, 2020.
3. Defendant Meredith Corporation of Iowa, doing business as KMOV, is an "employer" under the Missouri Human Rights Act, §213.010(7) R.S.Mo. because KMOV is an organization

employing six or more employees doing business at One Memorial Drive, St. Louis City, Missouri and at kMOV.com.

4. KMOV is also known as KMOV4 and KMOV-TV.
5. Defendant Meredith Corporation is a “person” under the Missouri Human Rights Act, §213.010(7) R.S.Mo. because Meredith is a corporation.
6. Scott Diener was the News Director for KMOV at all times described below. Diener acted in the interest of and as agent of KMOV.
7. Diener is a citizen of the state of Missouri.

Common Allegations

8. Hodge is female.
9. Hodge was born in 1974.
10. KMOV hired Hodge into the No. 2 meteorologist position in April 2014; her broadcast times were Monday through Friday at noon and 5:00p.m.
11. Throughout Hodge’s employment with KMOV, Steve Templeton, held the No. 1 meteorologist position; his broadcast times were Monday through Friday at 6:00p.m. and 10:00p.m.
12. Templeton is male.
13. In February 2018, Diener planned to remove Hodge from her assignment as the No. 2 meteorologist position and reassign those broadcast timeslots to Templeton and Kent Ehrhardt.
14. Ehrhardt is male.

Hodge reports discrimination to SAG-AFTRA; Diener threatens Hodge

15. Diener's proposed reassignment would have diminished the roles of the female meteorologists while expanding the roles and on-air time of the male meteorologists.
16. Hodge complained to her SAG-AFTRA union representative that Diener planned to demote Hodge because of her gender and because of her age.
17. Within days of her complaint, SAG-AFTRA conducted a meeting with KMOV, Diener, Hodge, and the KMOV weather team to address the discrimination reported by Hodge.
18. After Hodge made the complaint to the union, Diener did not implement his planned reassessments.
19. Diener then threatened to remove Hodge from the No. 2 on-air assignments and give her the fewer weekend assignments when her contract came up for renewal in 2020.

Diener creates hostile work environment for Hodge, but KMOV does nothing

20. After Hodge complained about Diener, Diener repeatedly interrupted or distracted Hodge during her live broadcasts throughout 2018 and 2019.
21. In late 2018, Diener created unwritten severe weather broadcast policies that excluded Hodge from participating in the broadcast of major weather events.
22. Beginning in late 2018 and throughout 2019, Hodge reported Diener's conduct to KMOV's human resource representative and the SAF-AFTRA union representative, including that Diener was creating a hostile work environment for Hodge.
23. KMOV failed to take any action in response to Hodge's complaints.
24. In January 2020 Diener demoted Hodge by changing her schedule from 10 weekday broadcasts as the No. 2 meteorologist to 4 weekend broadcasts. These weekend broadcasts were considered the least important at KMOV.

25. Also, in January 2020 Diener assigned Hodge to perform weather and general reporting duties outside the station on 3 of her 5 working days at KMOV.
26. Diener assigned Hodge to these general reporting duties even though he knew that Hodge did not have education or experience in general news journalism or reporting.
27. Hodge had education and experience as a meteorologist broadcasting and reporting on weather events and related sciences, the position into which KMOV hired Hodge.

Hodge again seeks help from SAG-AFTRA, KMOV retaliation escalates

28. Hodge reported to SAG-AFTRA that KMOV demoted Hodge because of gender, age, and previous complaints about discrimination.
29. On January 23, 2020 SAG-AFTRA filed a grievance on behalf of Hodge against KMOV and Meredith Corporation for discrimination.
30. Diener and KMOV management received notice of Hodge's grievance the next day.
31. The same day as Diener and KMOV received notice of Hodge's discrimination grievance, Diener removed Hodge from weather reporting duties and assigned Hodge to report on a bus crash.
32. On April 28, 2020, the SAG-AFTRA notified Hodge that her grievance would be arbitrated on December 3, 2020.
33. KMOV management and Diener received notice of Hodge's arbitration the same day.
34. Two days later, on April 30, 2020 Diener assigned Hodge to general news reporting duties one day per week and restricted her from reporting on the weather as part of her permanent assignment.

35. On May 4, 2020 KMOV furloughed all news staff in the form of workday reduction, reducing the workweek from five days to four days per week.
36. Diener directed Hodge to continue with general news reporting duties exclusively for one day of each four-day work week, further reducing the number of days Hodge could work as a meteorologist from 4 days per week to 3 days per week.

Diener intensifies his hostile conduct toward Hodge

37. On the first day of the furlough period, there was a severe weather event that typically required all meteorologists for support and broadcast. Diener, however, directed Hodge to report on a private high school's "senior skip day" rather than participate in covering the severe weather event.
38. Even though KMOV's weather department was understaffed during the furlough period, Diener did not reassign Hodge to her full-time meteorological duties and broadcasts.
39. Hodge was the only full-time meteorologist assigned to a general news reporting shift.
40. Hodge was the only meteorologist who continued to complain about sex and age discrimination and pursue those complaints through arbitration.
41. Of the 41 meteorologists in the nine Meredith stations in the top 50 U.S. television markets Hodge was the only Certified Broadcast Meteorologist who defendant assigned to general reporting duties.
42. On June 22, 2020, Hodge filed a charge of discrimination with the Equal Employment Opportunity Commission and Missouri Commission on Human Rights based on sex, age, and retaliation naming KMOV and Meredith as respondents.
43. On July 1, 2020, KMOV hired JD Sosnoff as its new general manager.

44. On August 4, 2020, Hodge emailed Sosnoff about her reports of discrimination and the hostile work environment created by Diener's harassing and retaliatory conduct.
45. Sosnoff replied on August 6, stating he was aware of Hodge's charge of discrimination and her upcoming arbitration scheduled for December 2020.
46. Sosnoff failed to take any action to remedy the continued hostile work environment.
47. On September 5, 2020, KMOV lifted the furlough and Hodge returned to her 5-day work week of weekend weather broadcasts and general reporting assignments.
48. KMOV did nothing in response to Hodge's complaints about Diener and the hostile work environment.

KMOV fires Hodge

49. On September 17, 2020, KMOV fired Hodge.
50. KMOV fired Hodge in retaliation for Hodge's opposition to and complaints about sex and age discrimination.
51. Diener and KMOV management created a hostile work environment for Hodge in retaliation for Hodge's opposition to and complaints about sex and age discrimination.
52. Hodge's job performance was outstanding.
53. Hodge's demotion dramatically reduced her earning capacity in meteorologist jobs she could obtain after KMOV and Diener fired her.
54. As a result of Diener's actions Hodge suffered extreme emotional distress and physical harm.
55. On October 22, 2020 Hodge filed an Amended Charge of Discrimination with the EEOC and MCHR, a copy is attached as Exhibit 1.

56. On January 15, 2021 the MCHR issued a Notice of Right to Sue to Hodge, a copy is attached as Exhibit 2.

57. Hodge filed her lawsuit against KMOV within 90 days of the right to sue letter.

THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)):

I was employed by KMOV-TV as a meteorologist from April 2014 to September 17, 2020 when I was terminated by KMOV. I am a female and I was 46 years old at the time of my termination. When KMOV hired me, I was hired into the No. 2 meteorologist position and my broadcast times were Monday through Friday at 12noon and 5pm. The No. 1 position was held by Steve Templeton, a male, and his broadcast times were Monday through Friday at 6pm and 10pm.

In February 2018, KMOV's News Director Scott Diener planned to remove me from my No. 2 broadcast assignments and replace me with Templeton and the other male meteorologist Kent Ehrhardt. I complained my SAG-AFTRA union representative that Diener was demoting me because of my gender, female, and age. At that time meteorologist Kristen Cornett and I were the only women over 40 on the air at KMOV. Diener's action would diminish the roles of the female meteorologists and expand the roles and on-air time of the male meteorologists. As a result of my complaint, Diener did not alter the assignments. But Diener threatened to make these changes when my contract came up for renewal in 2020. After that, Diener retaliated against me by interrupting or distracting me during my broadcasts. Later in 2018, Diener created unwritten severe weather broadcast policies that excluded me from participating in the broadcast of major weather events. I complained to KMOV's HR representatives and SAG-AFTRA in 2018 and 2019 about Diener's conduct and claimed Diener created a hostile work environment. Then, in January 2020 Diener demoted me by changing my schedule from 10 weekday broadcasts as the No. 2 meteorologist to 4 of the least important shows during the weekend broadcasts. In addition to the weekend time slots, Diener assigned me to reporting duties Wednesday, Thursday and Fridays even though I did not have a journalism degree or experience.

I complained to SAG-AFTRA and stated KMOV demoted me because of age, gender and previous complaints about discrimination. On January 23, 2020, SAG-AFTRA filed a grievance on my behalf against Meredith Corp and KMOV-TV for discrimination. Diener and KMOV received notice of my grievance the next day. On that same day, Diener removed me from my weather reporting duties and assigned me to report on a bus crash.

On April 28, 2020 my grievance was elevated to arbitration, and Diener and KMOV received notice of the arbitration that same day. On April 30, 2020 Diener again retaliated against me by assigning me to general news

EXHIBIT

1

reporting duties 1 day per week.

On May 4, 2020 KMOV furloughed all news staff, and we moved to a 4-day work week instead of 5-day. Diener still assigned me to 1 day of general reporting duties during the 4-day work week. So I could only work as a meteorologist on 3 of those 4 days. I was the only one out of 4 full-time meteorologists assigned to a general news reporter shift, and I was the only meteorologist who continued to grieve her discrimination complaints and pursue arbitration. And I was the only Certified Broadcast Meteorologist of the 41 meteorologists in the nine Meredith Corp stations in the top 50 U.S. television markets who was assigned to general reporting duties.

KMOV continued to assign me to general news reporting even when there were serious weather events that coincided with my general reporting duties.

On June 22, 2020 I filed a charge of discrimination with the EEOC and MCHR based on age, sex and retaliation against KMOV/Meredith.

On July 1, 2020, a new general manager JD Sosnoff was assigned to KMOV. I sent an email to Sosnoff notifying him of my complaints about Diener, the hostile work environment created by Diener's harassment and the retaliatory conduct directed to me. The GM replied that he was aware of my charge and upcoming arbitration in December. Sosnoff did nothing in response to my complaints about the hostile work environment created by Diener.

On September 5, 2020, KMOV lifted the furlough. I returned to work on the same weekend schedule/general reporting assignments. On September 17th, Sosnoff and HR rep Darlon Watson fired me and they told me that KMOV eliminated my position.

I believe KMOV-TV harassed me and treated me differently in the terms and conditions of my employment because of my sex and age, and in retaliation for complaining about sex and age discrimination. The discrimination and retaliatory conduct of KMOV-TV created a hostile work environment for me.

I believe I was terminated because of my age, sex and in retaliation for my complaints of discrimination.

I want this charge filed with both the EEOC and the State or local Agency, if any. I will advise the agencies if I change my address or telephone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures. RE: Meghan Hodge vs. MEREDITH CORPORATION D/B/A KMOV-TV
E-06/20-52229 28E-2020-00875C

The Missouri Commission on Human Rights (MCHR) is terminating its proceedings and issuing this notice of your right to sue under the Missouri Human Rights Act because you have requested a notice of your right to sue.

This letter indicates your right to bring a civil action within 90 days of the date of this notice against the respondent(s) named in the complaint. Such an action may be brought in any circuit court in any county in which the unlawful discriminatory practice is alleged to have occurred, but it must be brought no later than two years after the alleged cause occurred or its reasonable discovery. Upon issuance of this notice, the MCHR is terminating all proceedings relating to the complaint. No person may file or reinstate a complaint with the MCHR after the issuance of a notice of right to sue relating to the same practice or act. You are hereby notified of your right to sue the Respondent(s) named in your complaint in state circuit court. **THIS MUST BE DONE WITHIN 90 DAYS OF THE DATE OF THIS NOTICE OR YOUR RIGHT TO SUE IS LOST.**

You are also notified that the Executive Director is hereby administratively closing this case and terminating all MCHR proceedings relating to it. This notice of right to sue has no effect on the suit-filing period of any federal claims. This notice of right to sue is being issued as required by Section 213.111.1, RSMo, because it has been over 180 days after the filing of the complaint and MCHR has not completed its administrative processing.

Respectfully,

Alisa Warren, Ph.D.
Executive Director
